David Smith

Dennis Corkery

John Sperry

In dedicating the 2003 yearbook, the class of 2003 and the Flicker staff are proud to recognize this group of retiring teachers for thier outstanding professional contribution to the Gloucester High School community. The genuine concern, caring nature, and infamous wit of these individuals have positively impacted the students and staff throughout their years of dedicated service to Gloucester High School. The building will not be the same without them and they be sorely missed.

Memories: I remember once in the 10th Grade I woke up in the morning and my face was all peely and stuff so I thought it would be a good idea to put Vaseline all over my face so the peeling would go away. Well the peeling went away but the Vaseline made my face all shiny and it looked like I was all sweaty and stuff. People kept asking me if I had something on my face and I kept denying it but deep down inside I knew I had Vaseline on my face and I think everyone else knew too.

Inspiration. Yeshua Ha Mashiach (Jesus Christ) you see, at just the right time, when we were still powerless Christ died for the ungodly. Very rarely will anyone die for a righteous man, though for a good man someone might possibly dare to die. But God demonstrates His great love for us in this: while we were still sinners, Christ died for us. The LORD has mercy on those who fear Him, as a father has mercy on his children INTELLIGENT DESIGN

Good Riddance (Time Of Your Life)

Green Day

Another turning point a fork stuck in the road
Time grabs you by the wrist directs you where to go
So make the best of this test and don't ask why
It's not a question but a lesson learned in time

It's something unpredictable
But in the end is right
I hope you had the time of your life

So take the photographs and still frames in your mind
Hang it on a shelf in good health and good time
Tattoos of memories and dead skin on trial
For what it's worth it was worth all the while

It's something unpredictable
But in the end is right
I hope you had the time of your life

It's something unpredictable
But in the end is right
I hope you had the time of your life

It's something unpredictable
But in the end is right
I hope you had the time of your life

The 2002 Girls Soccer team recorded the best record in the past 12 years of the program's history. With a record of 11-6-1, the girls made their way into the tournament for the very first time. They not only made it into the State Tourney, but they won their preliminary game against Waltham advancing into the second round of the tournament. The 2003 Gloucester High School tennis team had another outstanding spring. They finished 15-3 in the NEC and second in the conference. The squad was led by co-captains/all stars Jesse Downey and Danny Balbo at #1 doubles. But perhaps the singles play of the incredible three was the strongest point of the team. #1 singles player/all star Chris Delisi finished second in the conference with a 16-2 record. While Garret Webb at #3 singles posted the same record earning all star votes. Rich Ross provided strong play all season at the #2 singles slot. All three singles players will be back next year. #2 doubles players Chris Grace and Nate Cunningham got better as the year went on. C. Delisi

Softball

This year's 2003 softball team was a rebuilding team. We had alot of young players that were still getting the feel of varsity level softball. We started off slow in the beginning of the year which made us fight for a spot in the tournament, which we did not recieve. The team did not do as good as they had hoped, but they played with what they had. The fishermen finished with a record of 7-11. The team was led by quad captains Giacqueline Onorio, Jessyka Favazza, Vanessa Onorio, Kristan Burnham, and new head coach Mitchall Cahill. Good Luck to next years team!

Baseball

Despite a 5-15 record, the 2003 season produced serveral outstanding performances and gave a glumpse of the future. A lack of timely hitting and suspect defense often undermined the solid pitching turned in. The team played with what they had. With the graduation of only a hand full of seniors the team has an excellent nucleus of returning underclassmen. The highlight of the season was the upset of Bishop Fenwick high school. The Catholic Conference champion and ranked 14th in the state coaches poll.Good luck to next years team.

Boys Track

The 2003 Boys Spring Track team narrowly missed the conference title in a bonegrindingly close meet with Marblehead. However, the season ended on a good note; the team rose to the occasion at the conference meet to avenge its defeat, winning by a gutwrenchingly huge margin. Despite the dwindling roster of the Boys Track team, the participants poured all their effort into the season, resolving with an admirable 8-1 record. Jeff Destino earned the title of Conference Co-MVP, while posting a new 200-yard school record. The 4x800 relay team

Girls Track

The girls 2003 Spring Track team finished the season with a record of 5-4.

The four senior captians, Sally Unis, Alicia Dunphy, Emily Maki, and Stacie Couture led the team to a winning season. The team was very competetive in almost every single event, especially the throwing and hurdling events.

The team made an impressive mark at the Northeastern Conference Meet where many runners placed. The NEC All Stars were Sally Unis and Brenda Phillips and Sally Unis and Elyse McNiff placed at the EMass State Class B Meet.

Boys Lacrosse

The boys lacrosse team

The boys lacrosse team made history this year by advancing to the preliminary round of the Division 2 tournament. The 11-4 season had many more ups than downs with strong leadership from captains Jon Place, Josiah Aberle and Kyle Grant. Opposing teams were no match for Gloucesters skilled defenders known as "The House Of Pain". The strong midfield and attack was able to create offense and score goals at key moments on the other end of the field. The team was handed its first loss by Marblehead, but the Fisherman were able to recover and secure a tournament appearance in a remach against Marblehead the next week. The high points of the season came against Hamilton-Whenamand Ipswich, where Gloucester prevailed in front of over 200 fans. The team will only get better.

Girls Lacrosse

With an 0-10 record the girls Lacross Team had less than a banner year. As a first year varsity sport this was a learning year more than anything. This year the girls played with enthusiasm and played each game to the best of their abilities with no complaints and no regrets. With the loss of the three captains, especially the teams MVP and leading scorer Allie Walsh, next years team will have quite a bit of work to do before they can start to compete at the next level. With a good crop of young players next years team will have a little bit more experience and much more potential. We are very proud of this years team and their accomplishments. Good luck next year girls.

Dennis,

Congratulations! It's been such a joy to watch you grow into a special young man. Having you for a son has been one of the greatest gifts life has given me. You've worked very hard to achieve your goals -- You should be very proud of yourself -- I know I am. I have seen alot of myself in you -- watching you grow-up. You have brought back many memories of myself.

You have proved many times that you can accomplish anything and it shows with the accomplishment you made with building your first high perfomance car. Seeing this proves that you have grown and become the man your mother and I hoped for. Like father -- Like son. May all your dreams come true!

Come Sail Away
Styx

I'm sailing away, set an open course for the virgin sea
I've got to be free, free to face the life that's ahead of me
On board, I'm the captain, so climb aboard
We'll search for tomorrow on every shore
And I'll try, oh Lord, I'll try to carry on

I look to the sea, reflections in the waves spark my memory
Some happy, some sad
I think of childhood friends and the dreams we had
We live happily forever, so the story goes
But somehow we missed out on the pot of gold
But we'll try best that we can to carry on

A gathering of angels appeared above my head
They sang to me this song of hope, and this is what they said
They said come sail away, come sail away
Come sail away with me
Come sail away, come sail away
Come sail away with me

I thought that they were angels, but to my suprise
They climbed aboard their starship and headed for the skies
Singing come sail away, come sail away
Come sail away with me
Come sail away, come sail away
Come sail away with me

"Imagination is more important than knowledge"

for all those that influenced and changed me, thank you

I carried the dream in my heart and used to think about what good times we would share and how close we would be.
I never imagined that my daughter could be delightful and lovely as you.
You are someone special.
I'm still amazed of all the things you accomplish and the way you give so much of yourself to others.
I take a great deal of pleasure and pride in all that you have become.

We are so proud of you.
Good Luck,

Love,
Mom, Bethany & Charlie

Josh,

It seems like yesterday that we were holding you as you took your first tentative steps into a whole new world. In the years that followed there have been so many new and wonderful experiences! New friends and family, the first day at school, the first time you kicked a ball, the ocean and woods to explore. You have made it through 12 years of school, sometimes a challenge, yet you persevered with your quick wit, your sensitivity, compassion and your ready smile! (I love that smile).

We can't hold you as you take the next tentative steps into a new world that will test and challenge you. We can only pray that we have given you the foundation and love that you will need. Always keep that quick wit, sensitivity and compassion. And don't forget to smile! We are so proud of you!

Love always

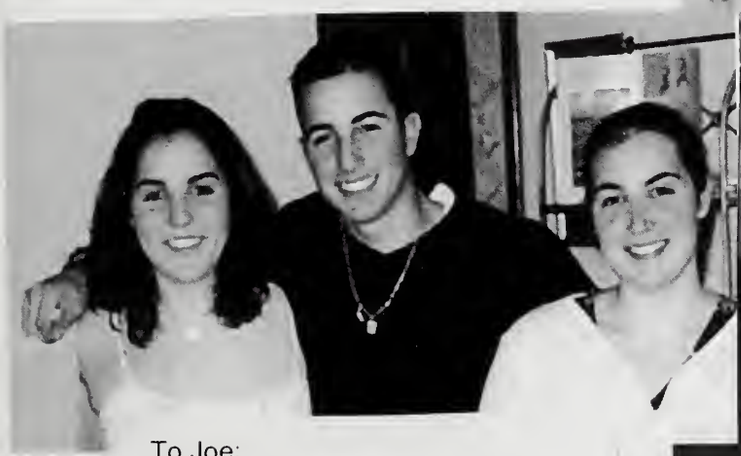
Joe(y)

You were not only born under my heart but in it. I have been proud to call you my son ever since. I am awed at the man you have become. Always know that I will be in your corner. Good luck in college and in achieving the success and happiness you deserve.
Love, Mom

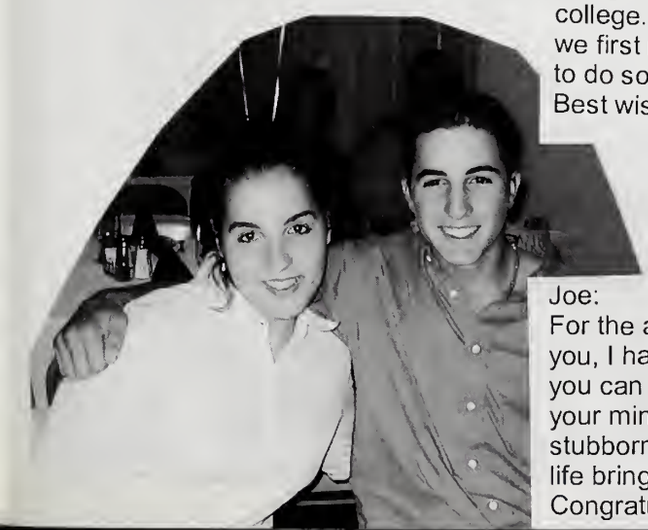
Joe,
The road has not been easy, but the door is now open and opportunity beckons. Your perseverance and your courage in the face of adversity have made me proud. Don't limit yourself. You can do anything.
I love you, Dad

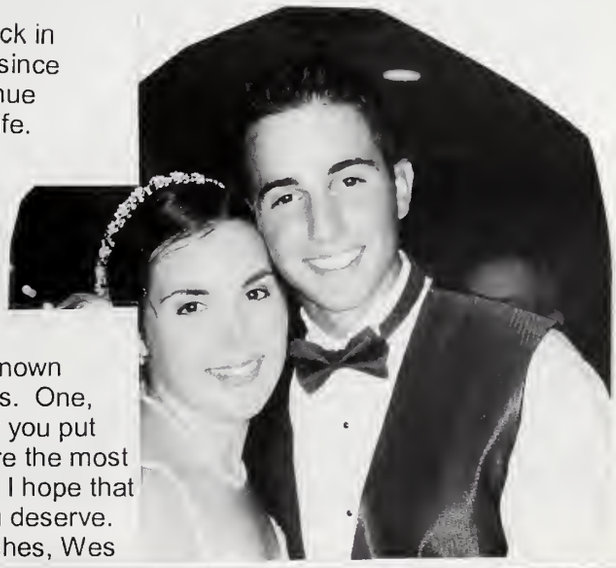


To Joe:
It seems like you grew into a man overnight. I know we had some rocky times, but I am so grateful for the relationship you and I have developed. Good Luck in college and don't forget us!!
Love, Lisa

Joe:
I am so proud of the man that you've become. You'll always be my little brother, though, don't you forget that!
I love you and wish you all the happi-
ıess you deserve.
.ove, Amanda

Joe:
Congratulations and good luck in college. You've grown a lot since we first met, and you'll continue to do so as you move on in life.
Best wishes, Kevin





Joe:
For the amount of time I've known you, I have learned two things. One, you can accomplish anything you put your mind to; and two, you are the most stubborn person I have met. I hope that life brings you everything you deserve.
Congratulations and best wishes, Wes
